Dear Parents and Carers

Due to the increase in positive cases of Covid-19 in the local community, and following advice from local Public Health and the Local Authority, we have taken the difficult decision to cancel the Year 6 induction day on Thursday 1st July 2021.

I know this will be disappointing for your child but I hope you will understand we need to limit the spread of the virus so that schools can remain open to all children for the last few weeks of this term.

Please be assured that we are in regular communication with your child's primary school to aid their transition to Year 7. In addition, our SEN team will be arranging meetings with identified children who require additional support. Information about preparing your child for Year 7 including a helpful video will be available on our website from 1st July 2021. We aim to send out further information towards the end of the following week regarding your child's form and house allocation, and details of items that will need to be purchased prior to September.

I would like to express my appreciation for your support and understanding shown during this time. We look forward to welcoming your child to Laurus Cheadle Hulme on Monday 6th September 2021 (10am until 12pm) and wish you and your family a safe and relaxing summer.

Kind regards
