Dear Parents and Carers,

May I take this opportunity to thank you for choosing Laurus Cheadle Hulme, you must be delighted to have secured a place at one of the hugely oversubscribed Laurus schools for your child. We are very excited to welcome you and your family as part of our school community and will use the website to regularly update you all with information on the new build, staffing, uniform, curriculum and electives in the months leading up to September.

As the sister school to Cheadle Hulme High School (CHHS) "Our vision is for every student, regardless of background or circumstance, to achieve the grades and develop the qualities which will open the door to the future of their choice". We are lucky to be able to achieve this in a brand new purpose built school with state of the art equipment albeit that initially we will be located in the Primary school building. We have been assured that the Secondary building will be ready for us to move in to at Easter 2019 at the very latest.

We work hard to ensure that every member of our school community has access to a rich and diverse range of opportunities. The location of Laurus Cheadle Hulme will allow your child to experience a wide range of activities outside of the classroom and to date we have already secured the opportunity for them to swim and/or cycle on Wednesday afternoons.

Many experienced staff have already been appointed to teach at Laurus Cheadle Hulme. All have experience of teaching at Cheadle Hulme High School. Please take some time to look at their biographies on our website. The teachers have provided their 'Top Ten' suggestions for you and your child to experience before the autumn term starts. Our experienced teachers will be complemented by recently qualified or newly qualified teachers, all of whom have been trained by the School Centred Initial Teacher Training (SCITT) Programme rated as outstanding by Ofsted in November 2017 and led by Cheadle Hulme High School.

On Wednesday July 4th 2018 we will be holding a new intake day for your child. This will be held at the sixth form at Cheadle Hulme High School and will provide your child with the opportunity to make new friends, meet their new form teacher and to experience what lessons will be like at Laurus Cheadle Hulme. On the same evening we will be holding an event for parents and carers which will make clear what expectations we have of our students and what support we require from parents and in return what you can expect from us. You will be given the opportunity to meet with staff, place orders for the new uniform and to be clear about the start of term.

The start of term will be Monday September 10th 2018 and we look forward to greeting your child at 8.20am.

I do hope that you and your child are as excited as we are at the prospect of starting a new school.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "G. Theobold".

**Mrs Gill Theobold**  
**Head of School**
