March 2021

Dear Parents and Carers

May I take this opportunity to thank you for choosing Laurus Cheadle Hulme (LCH). You must be delighted to have secured a place at one of the hugely oversubscribed Laurus schools for your child. We are very excited to welcome you and your family as part of our school community and recommend that you regularly visit our website for updates and news about events going on in school.

As the sister school to Cheadle Hulme High School (CHHS) "Our vision is for every student, regardless of background or circumstance, to achieve the grades and develop the qualities which will open the door to the future of their choice". We are lucky to be able to achieve this in a brand new purpose built school with state of the art equipment.

We work hard to ensure that every student at LCH has access to a rich and diverse range of opportunities. The location of LCH facilitates a wide range of activities, outside of the classroom and yet in the local community.

Normally we would be informing you of the date and time of our Induction Day and Information Evening in this letter but due to the current situation we may be required to change the way we hold these events due to social distancing. Therefore, we will be in touch again as soon as we have been advised how best to approach this.

In the meantime, please visit the 'Moving to secondary school' page on our website – <https://www.lauruscheadlehulme.org.uk/transition/> – where you can find an information booklet about LCH as well as other useful resources.

We also request that you complete the form at this link **by Friday 23rd April 2021** – [Important Information Form](#) - to tell us important information about your child.

We are all looking forward to working with you in partnership over the next five years and ensuring that your child is provided with the opportunity of receiving an excellent experience at High School.

Keep safe.

Yours sincerely

A handwritten signature in black ink that reads "G. Theobald".

Mrs Gill Theobald
Head of School
