17th September 2018

Dear Parents and Carers,

We do hope that your son/daughter has enjoyed their first week at Laurus Cheadle Hulme (LCH) as much as we have. We have been delighted with their behaviour, appearance and attitude to learning and are now relishing the prospect of challenging them both academically and via the electives which commence today.

We would now like to invite you all for an opportunity to visit our temporary accommodation at Cheadle Hulme Primary School on Monday October 8th where you will be able to meet your child's Form Tutor to learn more about how we operate Form Time at LCH and to sample how we approach the teaching of Mathematics at the Laurus Trust.

If your child is in 7 D, R, E or A could you please arrive at 6pm. A bell will sound at 6.25pm when you will be required to make your way to the hall for our Mathematics teachers and our Trust Director, Marisa Bartoli, to share our preferred mathematical practice with you.

If your child is in 7 M, B, I or G could you arrive at 7pm. A bell will sound at 7.25pm for you to make your way to the hall for the mathematical session.

For the mathematical input (as space is very restricted) we will need to limit our invitation to one parent/carer per student. We anticipate that your child will attend with you in full school uniform.

On a different topic can I please chivvy parents, who wish their child to learn a musical instrument, to request a letter by the end of this week so that lessons can be arranged?

Yours sincerely,

A handwritten signature in black ink that reads "G. Theobald".

Mrs G Theobald
Head of School
